

## Premises Identification with CCIA

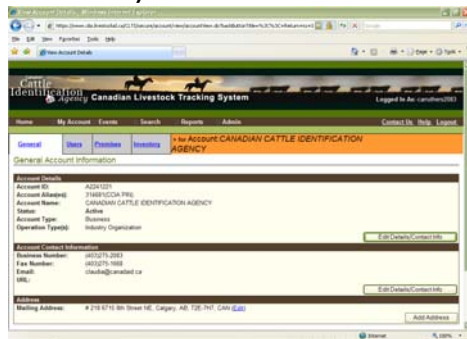

The Canadian Cattle Identification Agency is encouraging every producer to obtain a Premises Identification (Premises ID) number by reporting the legal land description of their home quarter or operation in the CLTS. Premises ID will provide the CCIA and/or CFIA with specific location information if an animal health or food safety issues should ever arise.

### How to Submit Premise ID Information

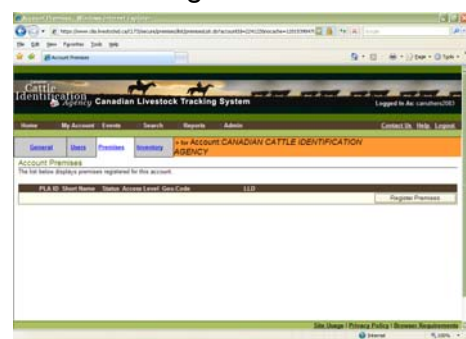

There are two options for submitting Premises ID information. You can follow these steps on the CLTS database **or** contact CCIA with you premise information by phone (1-800-909-2333).

1. Click on My Account – Click on Premises

2. Click on - Register Premises

3. Follow the remaining steps to create the Premises ID for your operation.
