

**Canadian Cattle Identification Agency  
(CCIA)-Approved Radio Frequency Identification (RFID) Tags**

- There are eight approved tags and five approved manufacturers.
- All beef cattle tags are yellow with the CCIA trademark  $\frac{3}{4}$  maple leaf and “CA”

CCIA also allocates RFID tag numbers and manages tag-related data for bison, dairy cattle and sheep.

**ISO Code** structure reads electronically as:

Please contact Canadian Cattle Identification Agency for more information.
